

Annual Report

2025

MORE THAN MOMENTUM

Letter from the CEO

Dear Friends,

Our second annual report marks more than the close of a year, **it marks the echo of 50 years of faithfulness.**

For half a century, the heart of Christian Veterinary Mission has been revealed through generosity, through people who chose to invest not only resources, but trust, prayer, and hope.

As you turn these pages, you will see stories of growth, reach, and transformation. But beneath every number is something far more enduring: **obedience sustained over time.** In 2025, more veterinary students were encouraged and disciplined at pivotal moments. Professionals gathered not merely to learn, but to be renewed. Volunteers stepped into short-term service with long-term vision. Field workers were sent to communities where healing, both physical and spiritual, is deeply needed.

Scripture reminds us: "Let us not grow weary of doing good, for at the proper time we will reap a harvest if we do not give up." (Galatians 6:9) **This is not momentum for momentum's sake; it is legacy in motion.**

CVM exists because generations before us believed veterinary medicine could be more than a profession — it could be a ministry.

Today, that belief continues because of you. Your generosity does more than sustain programs; **it opens doors, restores dignity, and carries Christ's compassion into places where it is urgently needed.**

As we celebrate 50 years of impact in 2026, we do so with gratitude and with expectancy. **The story is not finished. The need remains, and the invitation still stands.**

Thank you for walking with us. Thank you for believing in the mission, and thank you for helping write the next chapter of what God is doing through Christian Veterinary Mission.

With sincere gratitude,

Shane Rootes
CEO, Christian Veterinary Mission

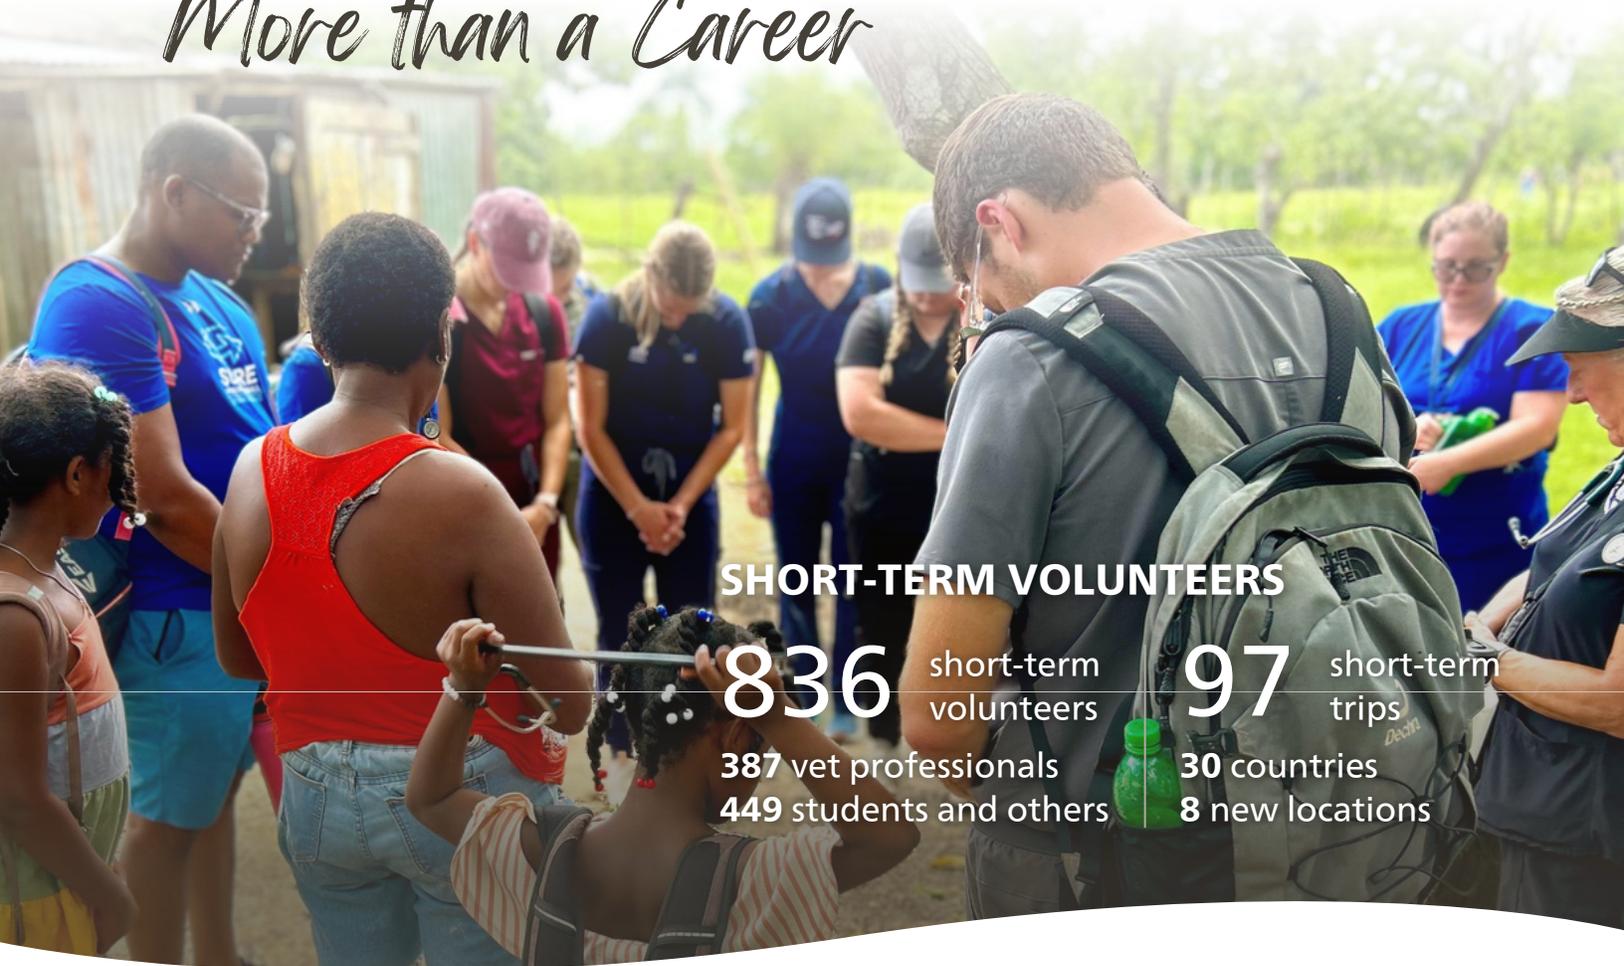

CVM's mission is to **challenge, empower, and facilitate** veterinary professionals to serve others by living out their Christian faith.
