

Welcome to the Christian Veterinary Mission (CVM) eLearning platform!

We are excited to introduce you to the offerings on CVM's eLearning platform and trust that the materials will support you along your faith journey, whether in long-term missions, short-term missions, workplace ministry or student ministry.

On the eLearning platform, you will find the CVM:

- CATALOG – that contains courses and other materials related to topics on faith and wellness, long-term missions, short-term missions, workplace ministry, student ministry, veterinary medicine, CVM information, and CVM staff training.
- STORE – that contains FREE, RACE-approved continuing education courses related to veterinary medicine, each with an accompanying devotion. One course is related to veterinary mental health and resilience.
- RESOURCES – that contain books, devotionals, and support worksheets related to topics on faith and wellness, veterinary medicine, workplace ministry and student ministry.

The following pages list the specific offerings in the CATALOG, STORE and RESOURCES by name and topic.
