

THANK YOU FOR PRAYING FOR

KELLY CROWDIS

S.U.S.T.A.I.N. HAITI

Kelly and Ronald serve the Haitian people in many ways. The “Give A Kid To A Kid” goat project teaches children goat husbandry while providing them the opportunity to hear the Good News of the gospel. Kelly uses her veterinary skills and knowledge through a 10-week veterinary agent program, Ag-Horizon, and also partners with the government to eliminate canine rabies through vaccination and surveillance. Kelly and Ronald enjoy encouraging people by caring for their animals.
