

THANK YOU FOR PRAYING FOR

MARGARET

SERVING IN HIS LOVE

Working in Tanzania with Food for His Children (FFHC) since 2010, Margaret has helped build relationships and community in ten rural villages. She and her team have modeled the love of Christ through training and veterinary care. FFHC has distributed over 200 goats to improve livelihood and food security. Now the Lord is leading

Margaret into exciting new ministries, probably with another organization. Please pray for His guidance and a new work permit during this transition.

Tanzania is the 8th poorest country in the world and has one of the fastest growing populations. Most Tanzanians own livestock to some degree, from herds of hundreds to a single milking goat. Many depend on these animals for their livelihood. The unreached People Groups include primarily Muslims and culturally and linguistically isolated small tribes.
