As the North Central regional representative, Dr. Elizabeth serves nine states, including seven veterinary schools in the Midwest/heartland area of the country. She works with veterinarians, technicians, and veterinary students to encourage them along their journey of faith, and equip them to serve the Lord through ministry in practice, on short-term mission trips, or as long-term field workers. She plans retreat weekends for students and professionals in the region as well as attends conferences around the country to share the hope of Christ to the veterinary community.
